

Amicus Curiae Review:

The pacing and structure of this book is spot on. Great hooks and fast-paced writing keeps the reader engaged and forces them to turn the page. Kept me moving along and intrigued to turn every corner with Mickey.

Speaking of Mickey, what a great character. I'd enjoy reading more novels featuring this character. Smart, funny, clever, and really likeable. Loved this character's appeal and development as the novel wore on.

I enjoyed your entry and hope to read more of your work in the near future!
